

thumbs up  for progress

REBUILD HOUSTON
better streets. better drainage. better future.

Broadway Street Reconstruction

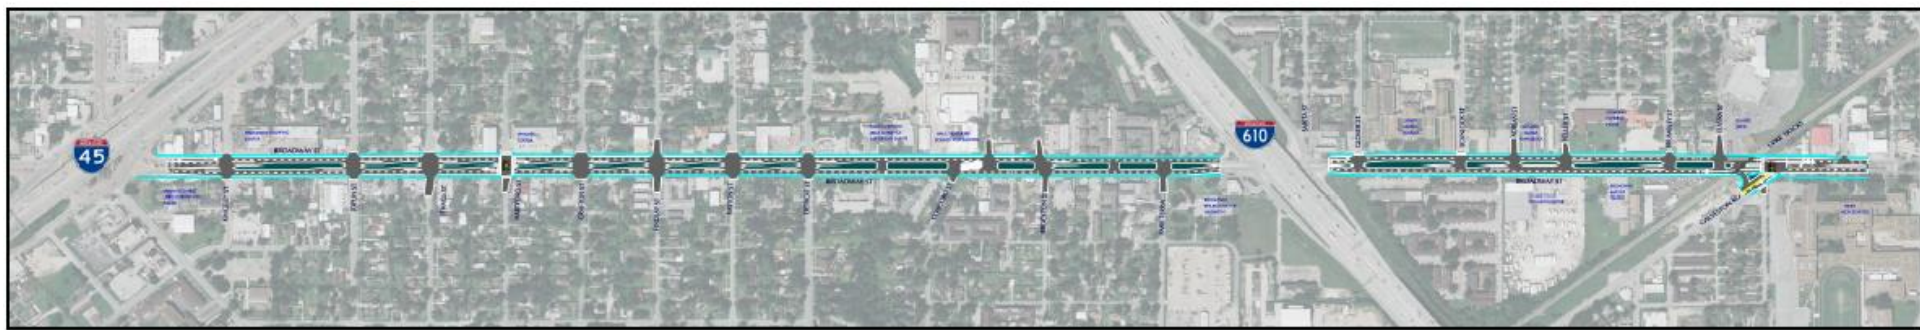

REBUILD HOUSTON

July 14, 2015

BROADWAY RECONSTRUCTION

The project will improve approx. 1.7 miles of Broadway Street between I-45 to Old Galveston Road.

Overview

- **Design is in progress for full reconstruction**
- **Seeking community input for design**
- **Construction expected 2018**

Pavement condition

Drainage

Sidewalk accessibility

Project priorities

Pavement condition

Pedestrian realm

Water, sewer and storm as needed

Intersection improvements

The Plan

ROAD PAVEMENT

- Improve ride quality
- Lane shift – wider median with edge of pavement closer to sidewalk

The Plan

PEDESTRIAN REALM

- New and wider sidewalks
- Ramps to meet ADA requirements
- Improved pedestrian crossing at railroad

The Plan

WATER, SEWER and STORM

- Replace storm drainage as needed
- Replace water and sewer as needed

The Plan
