WHAT TO EXPECT DURING CONSTRUCTION

Prepare for Construction

- Construction is within City Right-of-way
- Know how to report a concern or problem
- Be aware of the potential service impacts
- Restoration

WHAT TO EXPECT DURING CONSTRUCTION

City Right-of-Way (ROW)

- All work will be done within the City's ROW
- Contractor will mark out the ROW before construction begins
- Remove items of value (special landscaping features such as fountains, decorative/brick mailboxes and lawn art) within the City ROW
- Document the conditions of your yard and sprinkler head locations. Contractor will do the same.
- Expect temporary lane closures during the process.

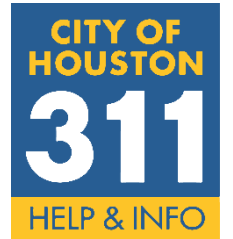

WHAT TO EXPECT DURING CONSTRUCTION

How to Report a Concern or Problem

- ✓ Keep your door hanger throughout the project
 - Lists phone numbers you need
 - Lists the Project Number

- ✓ Contact 311
 - Report the project name and the project number
 - Request issue be directed to Houston Public Works- Capital Projects
 - Be as complete as possible with your concern

- ✓ Meet the Construction Manager or Inspector
 - Will be your contact to resolve issues throughout construction

WHAT TO EXPECT DURING CONSTRUCTION

Potential Water Service Impacts

Planned service interruption:

- Waterline replacement - notification 24 to 48 hours in advance
- Periodic
- Typically lasts 2 to 4 hours

Accidental/Unplanned Interruption:

- The contractor will work quickly to restore services.

WHAT TO EXPECT DURING CONSTRUCTION

Parking and Driveway Access

- Periods of limited access to your driveway
- Park somewhere and walk to your home
- Contact us immediately if needing handicapped access
- Construction will alternate each side of the street on different schedules
- Suggest working with neighbors - they may need your help when it's their turn

WHAT TO EXPECT DURING CONSTRUCTION

Trash/Recycling Pick-up

- Construction will alternate each side of the street on different schedules
- Waste receptacles should be placed on the non-affected side of the street

WHAT TO EXPECT DURING CONSTRUCTION

Potential Bus Re-Routes

School Buses

- The City of Houston and the Contractor will work with all schools to minimize impacts to students, school bus schedules, and school bus stops
- School buses may need to use different streets temporarily

Metro Buses

- Bus stop at the Northeast corner of W 34th St and Watonga Blvd will be rebuilt and will be affected due to construction.
- Bus stop at the Northeast corner of W 43rd St and Watonga Blvd will be rebuilt and will be affected due to construction.

WHAT TO EXPECT DURING CONSTRUCTION

Tree Impact

- Our goal is to protect all trees during construction.
 - *We accomplish this by working with the City Arborist.
- Currently as part of this project several trees are set to be removed
- New trees will be planted within the project area, per plan.

WHAT TO EXPECT DURING CONSTRUCTION

Restoration

- Restoration of sprinkler systems, grass, etc. will be done during the final stage of construction.
- City does not approve final payment to contractor until restoration is complete.
- If you have concerns:
 - Document (writing, photo, etc.)
 - Call 3-1-1
 - Do not make the repairs yourself
