

FREWAY MANOR NORTH RECONSTRUCTION PROJECT

CIP No. M-410010

This Capital Improvement project has been funded and started design in 2015 with construction planned for 2019. This storm water drainage project provides drainage improvements along Frey Road and intersecting streets between Elton Street and Edgebrook Drive. Reconstruction will also include full reconstruction of pavement, 5-foot sidewalks with crosswalks to meet ADA standards on all streets, and underground sanitary sewer lines as needed. All work will be within existing right-of-way.
